

# OBO' VALENTINE'S DINNER 2019

## HEATING INSTRUCTIONS

### GENERAL INSTRUCTIONS

#### ROOM TEMPERATURE

- Let all items sit at room temperature for 30 minutes.

#### HEATING

- All items are par-cooked and just need to be reheated.

#### THERMOMETER

- We recommend a Taylor digital probe-cooking thermometer.

#### HEATING TIMES

- Heating times are estimates only, as all ovens vary greatly, please use a thermometer.
- The number of items you are heating in the oven and the number of times you open the oven door will affect your heating times.

#### DO NOT

- Do not put any plastic lids in the oven.
- Do not heat foil containers in the microwave.

### DINNER MENU

#### BEEF TENDERLOIN\*\*:

Preheat oven to 350°F. The beef tenderloin will come in its own foil roasting pan. Remove lid and insert your oven safe digital probe thermometer into the thickest part of the tenderloin. Place pan on the middle oven rack uncovered. Set your probe thermometer to 125°F and heat tenderloin until the temperature is reached. This could take 10-25 minutes depending on your oven. The tenderloin will be a medium rare. You may heat longer to your liking. Remove from the oven and let rest for 2 minutes before removing the butcher's twine and serving.

#### LASAGNA:

Preheat oven to 350°F. Remove lid, cover with foil and place on middle oven rack, heat for 15 minutes. Remove foil, heat for 5-10 minutes uncovered, until internal temperature reaches 160°F.

### SIDES

#### BROCCOLINI:

Preheat oven to 350°F. Remove lid and cover with foil, heat approx. 10-15 minutes.

#### FOCACCIA:

Once everything has been pulled out of the oven, pop the focaccia in the oven for 3-5 minutes, until warm.
